Smart Energy

- Saves money
- Improves comfort
- Protects the environment
- Boosts our local economy

Simple Steps

- Find energy efficiency opportunities
- Make a plan for energy saving action
- Get lower costs and better loans
- Have work 100% quality assured

Serious Savings

- 150 businesses and 1800 homes
- Saving 5-30% on energy costs
- More than \$1 million in energy saved

Did you know that you're paying to heat the great outdoors?

Energy (and money) could literally be slipping through the cracks.

Energy efficiency is the cheapest, fastest, cleanest source of energy!

Support local green jobs by taking energy efficiency action.

Choose local businesses taking action for a healthy community.
